

Zelbio, January 2020

Enervit S.p.A.
Viale Achille papa, 30
20149 Milano
Italy

The undersigned Mr. Davide Testa as Quality & Food Safety Mgr.

DECLARES

Products supplied by Enervit S.p.A. comply with WADA list (list of prohibited substances) and are manufactured according to the prescriptions given by EC Regulation 178/2002, in relation to the safety and healthiness of food products.

To this purpose, it is confirmed that all the measures to guarantee safety and healthiness of food products are adopted in the production, following the procedures based on HACCP system.

Raw materials, intermediates and finished products are systematically analyzed by our Quality Control Laboratory and do not contain any substance which may cause positive result to antidoping test or anyway harm customers' health.

In faith,

Enervit S.p.A.
Quality & Food Safety Mgr
Davide Testa
